

# NDHC COVID-19 UPDATE

We are pleased to have just received our facility's COVID testing results from Monday, August 24<sup>th</sup>. Once again, all residents and staff results for COVID were not detected. That means for 2 weeks in a row, everyone tested negative! NDHC can now resume testing every two weeks instead of weekly. Our next testing date will be Wednesday, September 9<sup>th</sup>.

On Monday, NDHC will discuss and propose a plan to re-open indoor visitation. Please watch our Facebook page and Web site for further guidance on this topic! Thanks for your continued support and understanding.

**During clinic hours, call 701-587-6900.**

**The 24-hour phone number is 701-587-6060.**
